Topdocs integration with BGL CAS 360

Order a new company with Topdocs and you'll have the option to populate the officeholder and shareholder details in the application with contacts directly from your CAS 360 account. Then, once your company is registered, have it set up automatically in CAS 360 for you in its entirety.

For further information or to request a demonstration, please contact our team on 1300 659 242 or support@topdocs.com.au.

USE THIS INTEGRATION WITH

- > Company Registrations
- > SMSF Establishments
- > Family Trust Establishments
- > Unit Trust Establishments
- > SMSF Changes of Trustee (with or without deed update)
- > SMSF Bare Trusts (bank or related party lender)

KEY FEATURES OF THE INTEGRATION

POPULATE YOUR COMPANY ORDER FORMS

When you order a new company, either a standalone trading company or as trustee of a trust or SMSF, you have the option to populate your officeholder and shareholder details with contacts directly from your CAS 360 account. Don't rekey data - we'll populate it directly from CAS 360 for you.

HAVE YOUR ABN | TFN AUTOMATICALLY POPULATED

As part of your application, you have the option to also have the company's ABN|TFN application fully populated, free of charge, via our direct link with the Australian Business Register (for trading companies).

INSTANTLY SET UP YOUR NEW COMPANIES IN CAS 360

Order a stand-alone company, or a corporate trustee as part of a new SMSF, family, unit or bare trust order, and you can have the new company automatically created in CAS 360 via our single online application form.
